## SOUNDS

### JOSH MARTINEZ

★★★½★

*The World Famous Sex Buffet*

(CAMOBEAR; [camobear.ca](http://camobear.ca))

**WHO?** Sixth solo disc from Canadian indie MC and one half of the Chicharones (his project with Old Dominion's Sleep).

**SOUNDS LIKE?** Classic indie hip-hop with a pop sensibility. *World Famous* finds Martinez switching between singing and rapping—and he's quite good at both.

**HOW IS IT?** It's a great chill-out record. Check "Hurricane Jane," a collaboration with Devin The Dude, for proof.

**ROCKS LIKE:** PIGEON JOHN, AWOL ONE, SLEEP
